

First Responders Newsletter June 2011

Can you believe it? It is the official beginning of "summer". We are now on our way to the shortest day of the year, which will probably be a lot warmer than today!!!! With the holiday season there will be a lot of little munchkins, summer people, tourists and our own regulars ALL over the place. So be alert everyone, let's keep our citizens, temporary, young and older, safe. Especially if there are fireworks in the program.

FR's beginning of summer has started by the Annual BBQ at Don and Sherri's, and if any FRs missed it-- you shoulda been there! Awesome food, great conversation, great big TV to watch game 7, such a sorry ending to all that energy they put into the games, I sure would hate to be a certain person with the last name beginning with L! Thank you everyone who made the evening so enjoyable.

Denny Powley is one of our dispatchers; he answered our call when we were in need of more dispatchers. He has been dispatching since January 2010, enjoying every minute and finding it very interesting. It is his way of helping the community and he will continue to dispatch as long as he is able. He says he finds the job very satisfying. Thank you Denny for your excellent job.

Have you got your reflective house numbers? When house numbers are reflective and set up for easy visibility emergency calls are serviced a lot faster. So if you are interested in purchasing a sign phone 250-675-3355 Tom or Debbie will be glad to take your order.

If you are thinking of doing something for your community try the First Responders. We meet every second Wednesday, Fire Hall #1, Passchendaele Road, next to the Sorrento Hall, 7:00pm. A number of our FRs were just people curious as to what we were all about and decided this was something they could do. So come and see for yourself. Any questions phone Sherri at 259-675-2420 or Debbie 250-675-3355.
